The Winter Camp Évolution 2 La Rosière is an outdoor activity programme specially designed for children, combining play, sport and exploring the mountains in winter. Run over several afternoons, it enables children to make the most of the snow and the natural surroundings through a variety of fun activities, supervised by qualified professionals.

Suitable for children aged 3 and over, the Winter Camp encourages independence, curiosity and the joy of being active outdoors, in a safe and caring environment. It's an excellent way for children to enjoy a different kind of mountain experience, whilst sharing fun moments with other young holidaymakers.

The Winter Camp can also be incorporated into a full day's programme alongside ski lessons and the Children's Lunch Club, ensuring seamless and reassuring care throughout the day.

PROGRAMME

From 3 years old

Weekly packages:

4 afternoons of activities = €100

Meals + 4 afternoons = €192

MONDAY
